CERTIFICATION

SAI-2026-FM-1004-001

Eight submitted photographs

Condition assessment

Centering	**10**	Margins appear balanced; angled photos prevent calibrated measurement.
Corners	**10**	Corners look sharp in the submitted close-up views.
Edges	**10**	No clear chipping or fraying is visible in the submitted views.
Surface	**10**	Owner reports a perfect surface; no clear marks are visible in the photos.

Review basis

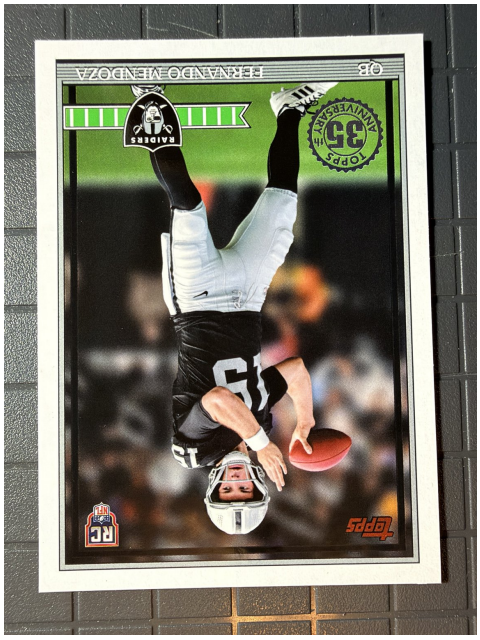

Eight submitted photographs were reviewed. The owner reports that the surface is perfect.
The photos show clean-looking corners and edges and no obvious visible condition defect.
This is an independent photo-based opinion; SlabAI did not physically examine the card.
Lighting and camera angle limit calibrated centering and fine surface verification.

CERTIFICATION STATEMENT

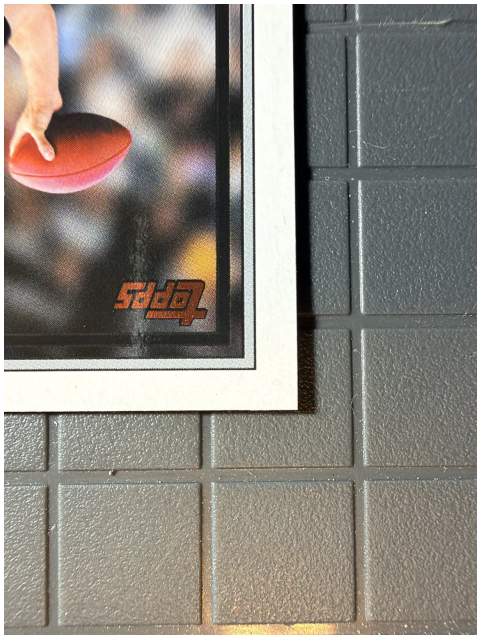

SlabAI records the card shown in the submitted photos and provides an independent, photo-based condition opinion. This is not an in-hand examination or a guarantee of another grading company result. Hidden defects or alterations may require physical inspection.
